Dear Triadelphia Church Family,

What do you fear the most? Is it something that causes pain? Or shame? Or people to grow apart? Whatever the storms of life may be, Jesus tells His disciples

**"... do not be afraid."
Matthew 14:27 (NKJV)**

Why then are we afraid when Jesus is with us and wants to help us? These words, **"do not be afraid,"** need to be trusted just as much today as when Jesus spoke them because the One who said them can do something right now. These words brought peace to the disciples on that stormy night, and they can bring peace to all who trust Him as we face the challenges of each day. He is waiting for us to trust Him and to invite Him to help us with all our fears.
