Dear Triadelphia Church Family,

How much does God love us?

**"But God demonstrates His own love toward us,  
in that while we were still sinners, Christ died for us."  
Romans 5:8 (NKJV).**

In these few words, the apostle Paul says that God's love knows no limits. How can we understand such love? Where do we find it today?

- \* As we read God's Word, we discover how God's love and care are continually available to all of His children, especially those who still do not know Him.
- \* As we talk with Him through prayer, as a friend, we experience His love.

You will discover He knows everything about you and will gladly help you with any challenges and difficulties you face today. Why not take some time right now or later today and share how much you love Him?

~ Pastor Sam
