To All Our Triadelphia Church Family,

When I was a kid, I was fascinated to watch ants work together around their anthill.

Not only did they eagerly and tenaciously do this, but if anyone left something sweet like honey or jam on the kitchen table, it was not long before they would find it and start moving their treasured find back to their nest.

**"The ants are a people not strong, yet they prepare their food in the summer."
Proverbs 30:25 (NKJV)**

What makes them so successful?

1) They work and live together, seeking opportunities and resolving challenges – together; 2) They store their food during the abundant months and make provision for the more difficult months ahead.

Imagine what would happen if we took the time to work and pray together under the guidance of the Holy Spirit? There would be nothing impossible for us to do.

~ Pastor Sam
